

Our Vision - To make Bedfordshire the best prepared place for any emergency

Our Values

Co-operation, professionalism and mutual respect are the foundation of BLLRF.

Our communities are at the heart of everything we do

We take pride in delivering quality and value for money

BLLRF: Great things happened when we work together

Strategic Priorities 2008-2012

Strategic Priority 1	Strategic Priority 2	Strategic Priority 3
To engage with all our partners and local communities	To constantly strive for more efficient ways of working	<p>To meet or exceed national and local government expectations, we will:</p> <p>3a. ensure delivery of duties under the Civil Contingencies Act that require a multi-agency environment</p> <p>3b. use the National Capabilities Survey to become better prepared</p> <p>3c. comply with national guidance</p>

Targets to November 2011

Target 1	Target 2	Target 3	Target 4	Target 5	Target 6	Target 7	Target 8	Target 9
To agree and deliver the Engagement strategy activity plan for 2011	To implement rationalisation of plans	To scope further cross-border opportunities	To maintain all Local Resilience Forum plans to be fully compliant with the Civil Contingencies Act	To deliver Exercise Watermark in March 2011; Exercise Avocet in May 2011 and start planning for the 2012 exercise	To deliver four themed training sessions, and refresher command and control training	All newly published guidance to complement the Civil Contingencies Act and other relevant legislation will be assessed and a plan for compliance approved by the Support Group within 6 months of publication	To carryout the 4-yearly Community Risk Register full review	To review any gaps in National Capability Survey results and report to the Support Group
